

Secure Provider Portal

Manage patient administrative tasks quickly and easily.

-  **Visibility of Multiple TINs**
One point of entry allows for quick and easy access to Ambetter from MHS member information for multiple TINs/practices.
-  **Access Daily Patient Lists from One Screen**
One concise view allows primary care providers to scan patient lists for Ambetter from MHS member eligibility, care gaps, and much more.
-  **Manage Batch Claims for Free**
Submit and manage claims, including batch files, for free. View detailed Electronic Funds Transfer (EFT) payment history.
-  **Simplify Prior Authorization Process**
"Smart Sheets" feature prompts for required clinical information when submitting prior authorization requests.
-  **Additional Features to Streamline Office Operations:**
 - View patient demographics & history
 - Secure messaging between provider & Ambetter from MHS
 - Update provider demographics
